Vienna (OTS) - Zwtl.: The Voynich Silenen Comedy: It was successful
Voynich Manuscript, now the greatest mystery of the
Human history to be deciphered as a bishop's memoir!

Discoveries about Switzerland, the Habsburgs and
made the Swiss Guard in the Vatican! Also Davos and the Viennese
Stephen's Cathedral play a role. As an art historian and
Renaissance expert at the Papal College of Heiligenkreuz
Benedict XVI I was able to decode the famous manuscript, exactly
locate and date. Furthermore, I am able to read the writing
read. The seemingly pointless book now has a surprising one
Contents. The work, which until now has not been read anywhere in the world, has
famous bathing scenes of naked women. The client will be here
announced and proven in: The Voynich Silenen - Comedy.

Book pre-release Be&Be Verlag. Hello! I greet all
Swiss and I ask that you kindly accept mine
Discoveries for the freedom-loving country. Any accompanying

Contact and editorial support for the ongoing
Book project is expressly desired. A PDF - as
Book pre-release is included. The PDF - The Voynich Silenen
Comedy - [will be here]
(<https://www.ots.at/pressemappe/37577/hochschuleheiligenkreuz>) and
on the website of the Heiligenkreuz University of Applied Sciences under my name
(Teachers) to be found, and can follow scientific rules
be quoted. More sensations will follow soon. There are
News about the history of Switzerland, its coat of arms, symbols
William Tell. There is also new art historical imagery available
Early history of the Habsburgs and the Battle of Sempach, which i
could reveal. The solution makes the manuscript even more exciting and
funnier than it ever was.
